This petition is filed directing the police not to obstruct the legal activities of the members of the petitioner's club including playing cards, caroms and other indoor games. We dispose of the writ petition directing the police to see that so long as the members of the club are doing only legal activities in the club, their function shall not be interfered. But this will not prevent the police from searching or finding out whether any illegal activities are carried on and police shall not unnecessarily harass the members.
